Dear Roger and Cornelius,
... could you find it in your hearts to send me an original (piece of artwork) as it will no doubt become a collectors' item and be worth millions.
Boomshanka,
John Russell, Papakura, New Zealand

(An honest parasite! Golly gee whillikers! ~Corn)

Dear Mister Stone,
You must be an old cunt to have a name like that.
Mark Paul, Mark One Comics, Auckland NZ.

Dear Cornelius,
Hi! Ta for Knuckles. Good to know that old Knuckles is still with us in the land of the living (or is that being too kind to her?).
Hope you guys have a good year comic-wise and I look forward to getting my hands on more KNUCKLES.
Yours,
Joanne Lloyd, Dunedin, New Zealand.

(Excuse me all to hell MSSSSS Lloyd but you're another bloody woman !!! ~ Knuckles)

Dear RAZOR gang,
Thanks for the comics. I've become a real KNUCKLES fan. (The more I read FAMILY OF SEX the more sense it made...)
Power to your pencil!
Regards,
Trace Hodgson, New Zealand LISTENER

Corn,
Never fear, I won't have babies, I couldn't bring myself to bring life into a world that holds such deformities as yours.
Glad to hear KNUCKLES is a licence to print your own money. Does it do the English kind?
Thanks for KNUCKLES. It warms the coals of me 'eart, as they say. Don't give her my address.
Love and kisses,
Dylan Horrocks

(Hey, Knuckles ~ Dylan's address is 51 WARHAM ROAD, FINSBURY PARK, LONDON N4 1AR, U.K. ~ Corn)

Brother Cornelius,
...I thought KNUCKLES was pretty fine. A little gonzo for me, because I'm a sensitive guy, but I enjoyed it just the same.
Take care, be well,
Terry LaBan, UNSUPERVISED EXISTENCE

Dear Stone and Langridge,
I am a great fan of KNUCKLES and would greatly enjoy as much of her as you can stuff into the enclosed envelope.
Thank you,
Tim Baker, New York, NY.

(Dear Mister Baker,
I am a great fan of that particular part of my anatomy and would greatly appreciate your sending it back to me when you've finished with it. ~ Knuckles)

Cornelius,
KNUCKLES is a wild strip ~ very irreverent and nihilistic... in other words my kind of stuff! Roger Langridge is an amazing artist ~ his style seems to be improving and developing by leaps and bounds. The Nun's facial expressions are amazing. Keep up the good work, you Zealanders...
Peter Bagge, HATE.

Cornie,
Congratulations. Hey, it's great having "the Nun" in England.
B.J. Parkinson, U.K.

(Deluded... ~ Knuckles)

Dear Roger,
When are we going to see a KNUCKLES/CREATURE COMMANDOS crossover?
Andy ("Ethel Stoats") Tristram

(When you draw it, boy wonder ~ Roger)

Knuckles is also getting sticky in the following places:
DEADLINE
FAMILY OF SEX (TWO ISSUES)
KNUCKLES IS SELLING OUT (ONE ISSUE)

DEADLINE may or may not be available in your local comic shoppe if you're in America, but it's all over the U.K. and I know you can get it in New Zealand... the others are available from the New Zealand address at the top of the page for the measly sum of $4 per issue (this being in your interesting American money), or else some form of trade ~ e.g. your own publications, tapes, blank cheques, or even boring photographs which Cornelius will send out to people selected at random from the telephone directory. Money's always nice though. If you're confused write and ask. (Price includes postage...)
